PUBLICATION OF THE SCIENTIFIC AND PRACTICAL CONFERENCE RESULTS

The materials of the scientific and practical conference (theses) will be published in the electronic journal of the conference materials and sent to the authors by e-mail.

To participate in the conference, please fill out the application (online form) and send the theses to the organising committee's email address **conference.zhmi@gmail.com by 10 October 2025**, indicating the subject line 'Zhytomyr Conference'.

The volume of theses: up to 3 pages (requirements for theses are attached).

In the application, please indicate whether you plan to report at the conference.

Those willing to make a report must indicate its form in the application form **by 10 October 2025:**

- a report online (duration 7–10 minutes)
- demonstration of a video report (duration 7–10 minutes).

Please send the presentation of your report in **pptx** format (mandatory), as well as a video recording of your report (if you have chosen this format) to the following email address: **conference.zhmi@gmail.com** using Google Drive or another file sharing service **by 10 October 2025**.

XVI Scientific and Practical Conference with International Participation HIGHER EDUCATION AND PRACTICE IN NURSING

THESES STRUCTURE

- TITLE of the theses in the centre of the line in CAPITAL letters in BOLD.
- Surname, first name of the author(s) are printed in italics on a new line, under each name of each co-author – the name of the organisation.
- ABSTRACT (300 characters according to the structure of the theses).
- KEYWORDS (4-5).
- TEXT of the theses (text alignment by width).
- REFERENCES. The word 'References' is printed one line after the main text, followed by the list of references, arranged in alphabetical order, references to literary sources are required.
- Formulas and figures are placed directly in the text, formulas are typed in the Microsoft Equation editor, figures – in graphic editors.

REQUIREMENTS FOR THESES FORMATTING

The volume of theses: up to 3 pages of A4 format. Materials are typed in Word 2010 (.docx) or later versions of Word for Windows.

Page parameters: margins (all) 2 cm, font type – Times New Roman, font size – 12, line spacing – 1, paragraph – 1.25.

The following **STRUCTURE** should be followed when preparing the content of the theses:

Relevance of the problem.

The aim of the study.

Materials and methods.

Results and their discussion.

Conclusions and prospects for further research.

References.

The authors are responsible for the content of the theses.

The editorial board reserves the right to check the submitted theses for plagiarism and guarantees the author copyright protection during the review process.
